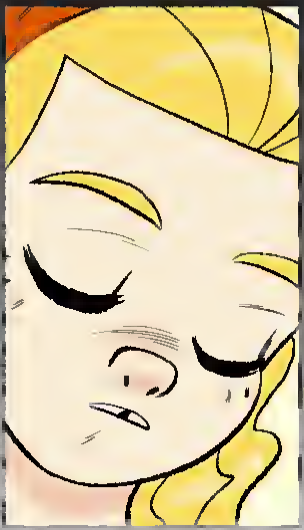
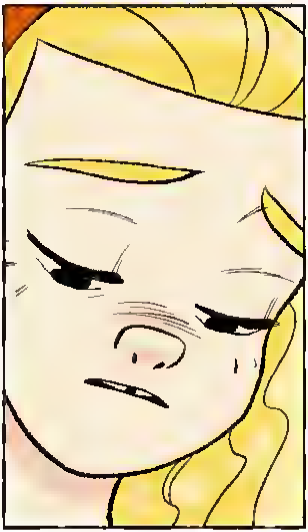
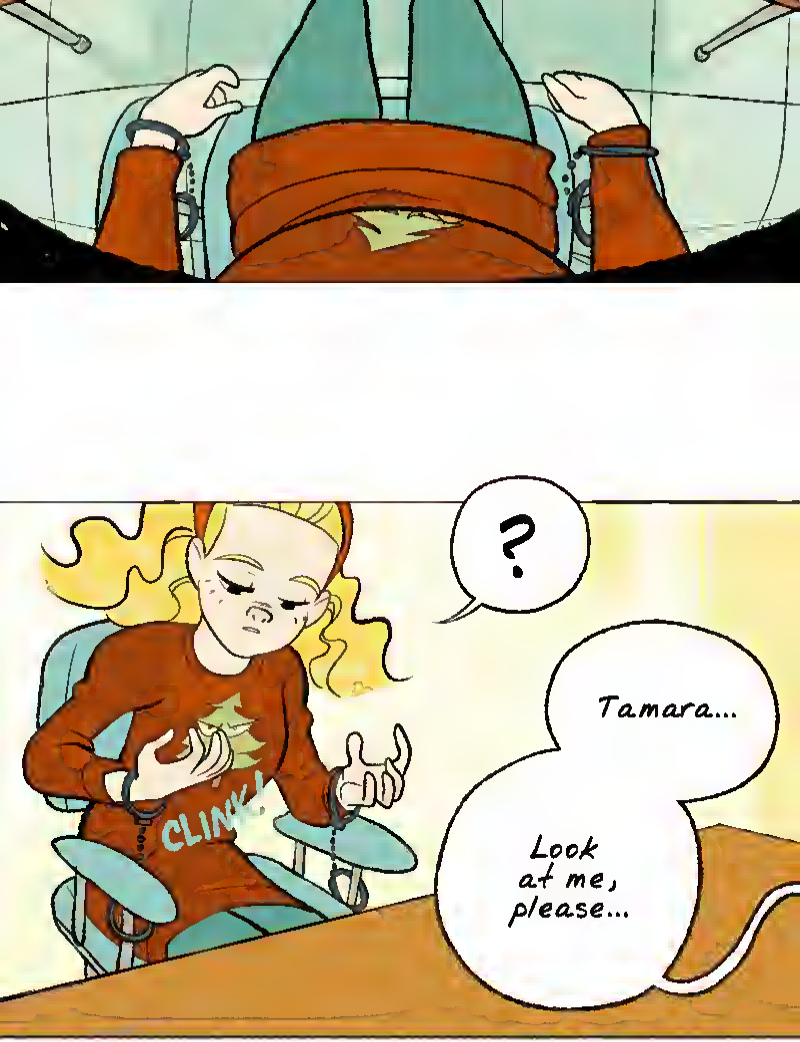
Are you awake?



Come on.

I haven't sat all day.

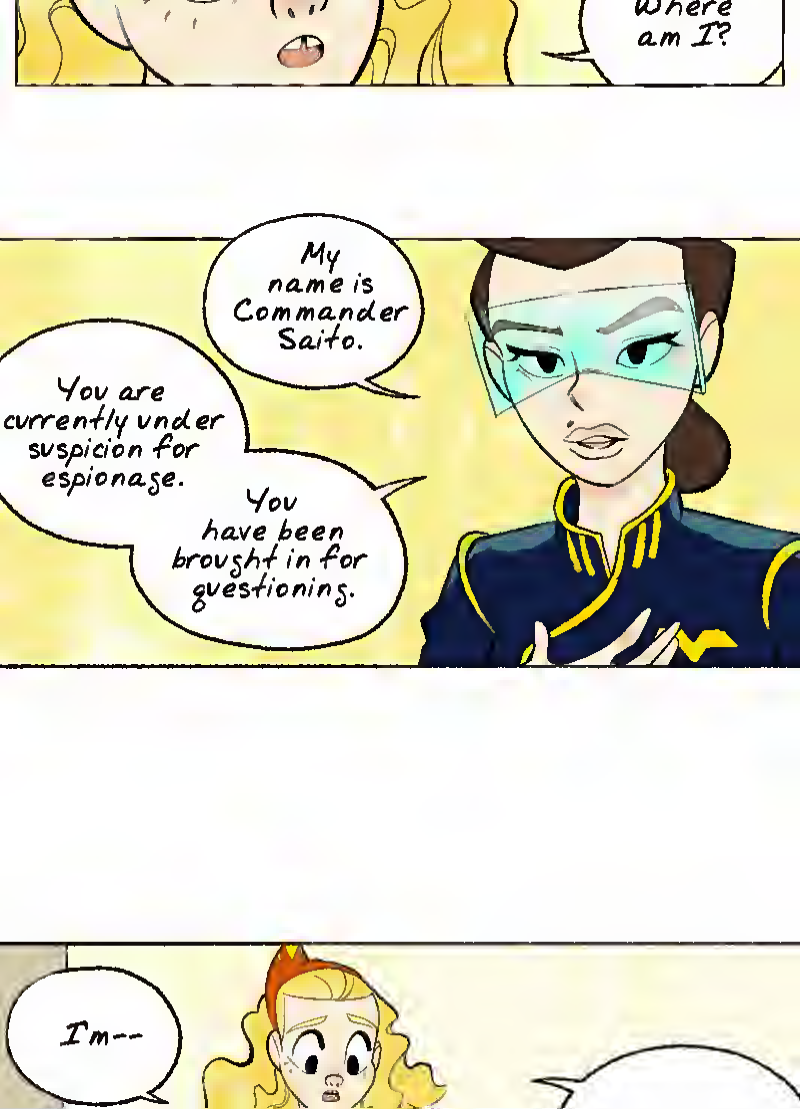




?
Tamara...
Look at me, please...
CLINK!

There we go.
Good.
Now we can begin.

Wha--

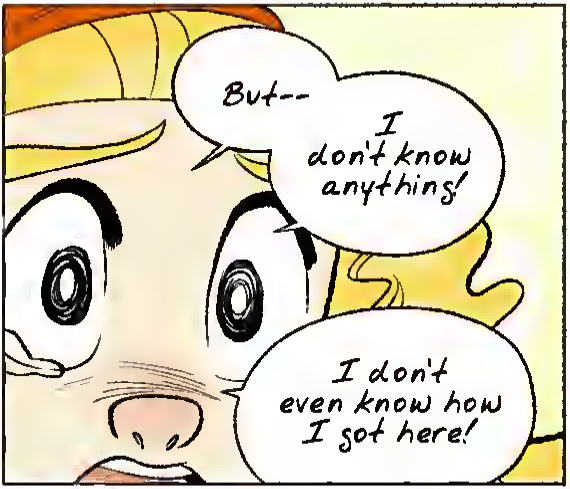


Where am I?
My name is Commander Saito.
You are currently under suspicion for espionage.
You have been brought in for questioning.
Im--

--under arrest?
Not exactly.
An arrest requires a warrant, or at least evidence of probable cause, of which I have neither.
However, my organization operates a bit outside the law, so...
I--
Please--
Why am

I here?
Who are you?

I just need you to answer a few questions.



But--
I don't know anything!
I don't even know how I got here!

Calm down. I can assure you that--

Y-You can't do this--

You don't have the right!
Well, I--
HELP!
SOMEBODY HELP ME!
SLAP!

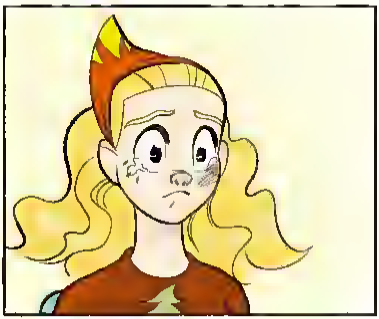
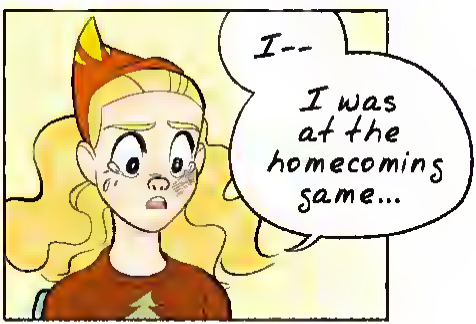
First question:

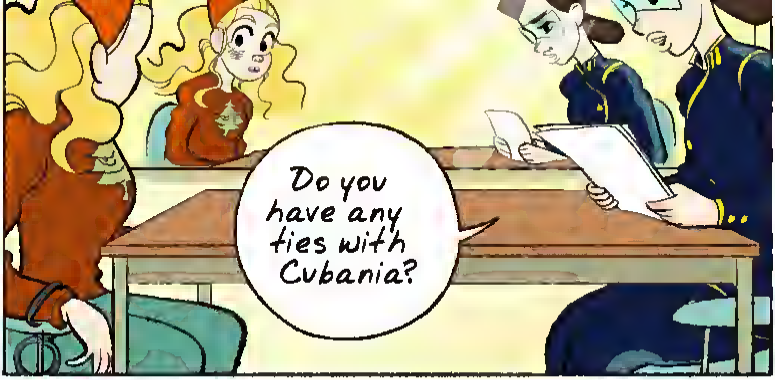
Where were you yesterday evening at around nine-thirty?



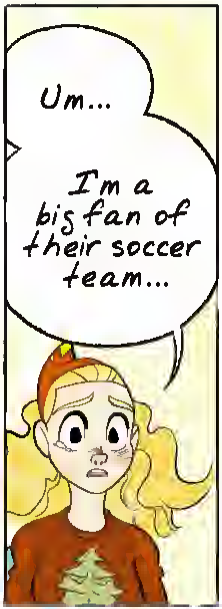


Qiana, check the security feeds from the same please--
See if you can confirm that.
Yes, Ma'am.

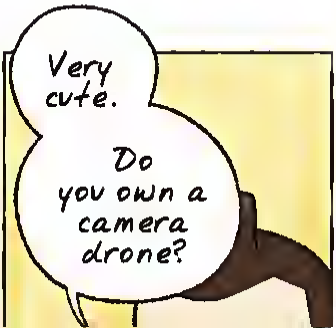
Have you ever traveled outside the country?
No.



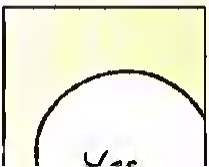
Do you have any ties with Cubania?

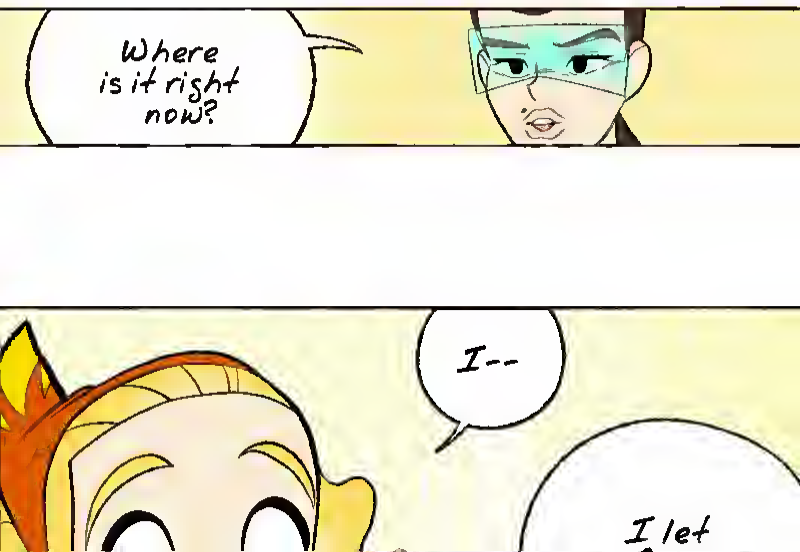


Um...
I'm a big fan of their soccer team...



Very cute.
Do you own a camera drone?

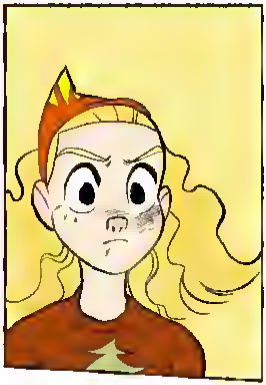




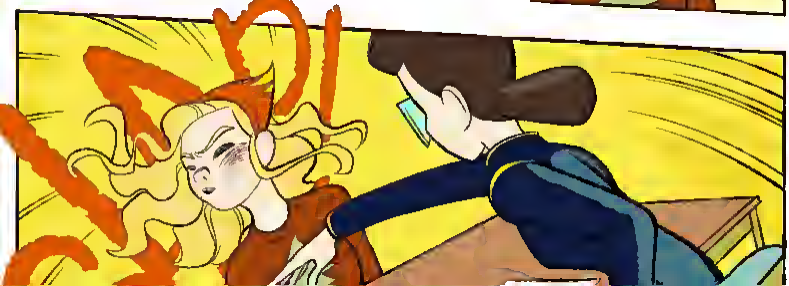
Where is it right now?
I--
I let

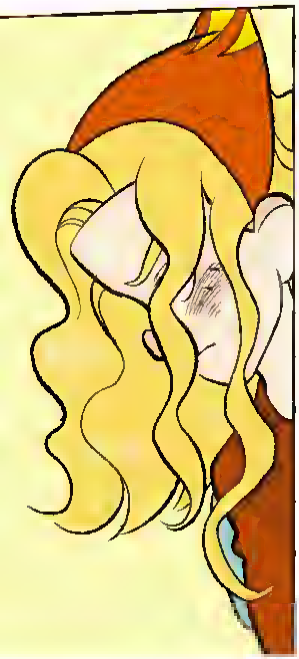
a friend borrow it...

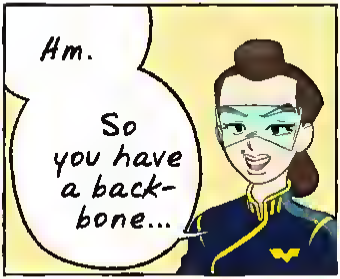
And the name of that friend is...



I don't know.

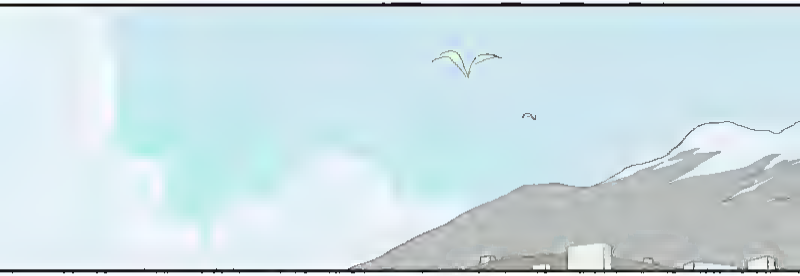


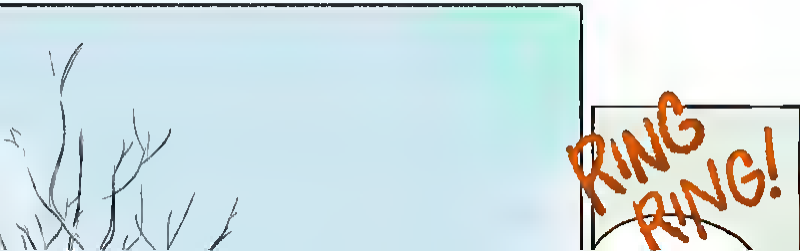




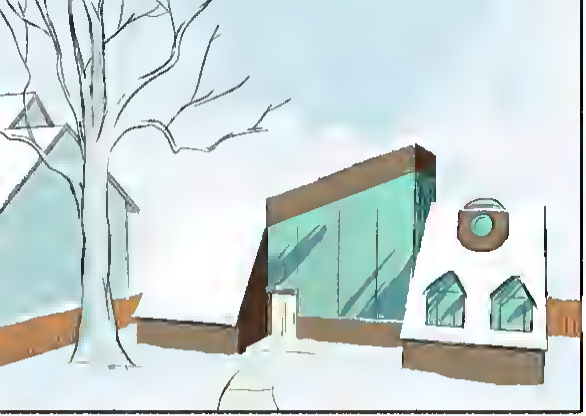
Hm.
So you have a back-bone...

I don't know what you people want but it's clearly nothing good--
I'm not telling you anything!





RING
RING!



Hello?

Hey.
What are you up to?

I'm...
Uh...

...stress eating a bag of chocolate chips.
What?
Why?
Ha--
Well, you hung up so fast I thought you were mad at me.

I kind of panicked.
CHOCOLATE CHIPS

I'm not mad at you.

Oh, good.

I thought

about you said.
Yeah?
I think...
...maybe I treated David like a Blake.
And maybe that's why he broke up with me.

I've decided to go to the dance tonight.
I want to see David.
Maybe he'll give me a chance to say I'm sorry and we can work this out.

I think that's a great idea...

Will you go with me Amy?
So I'm not alone?

Of course!
